

BC-04-4K UHD RUGGED BODY CAMERA

The latest Getac Body Worn Camera delivers spectacular 4K UHD video, even in low-light conditions.

Ultra-Wide, Zero Dark 4K

158° diagonal view with 4K UHD resolution and HDR, captures sharp video, even at night in low light conditions.

Easy In-Field Tagging

Use the convenient and intuitive category wheel to save time after each incident and ensure maximum retention. View videos on the mobile app without downloading or breaking chain of custody.

OLED Display

Built-in OLED display is easy to read and provides important information to the operator at a quick glance. Turn it off in covert mode to avoid distractions.

In-Car Integrated

Pair the body-worn camera with Getac in-car video to eliminate the need for a wireless microphone and range issues. Playback audio from both systems together to see and hear all the action as it happened.

Cellular Capable

BC-04-4K supports AT&T, Verizon, and other worldwide cellular networks for real-time location and live streaming. Don't need another cell plan? A Wi-Fi only model is also available.

See The Action Live

Live stream anytime and maintain maximum situational awareness. Watch multiple users together or along with in-car video systems to see all the angles.
