# Driving Safety

## Reduce Driver Distraction on the Move

Your people are your most valuable assets. Whether they are driving a forklift truck in the warehouse or a commercial vehicle on the road, you need to protect your workforce. Getac's Driving Safety App is a value-added solution aimed at reducing driver distraction.

Discover a cost-effective and reliable way to safeguard your workforce.

### Reduce Distracted Driving

Protect drivers from in-vehicle device distractions on the move by blanking the screen and locking the keyboard, in compliance with regional driving legislation.

### Pure Software Solution

Getac Driving Safety requires no additional hardware, offering maximum reliability, preventing any bypassing of the solution, and ensuring compliance with safety guidelines.

### Cost-Effective Solution

One-time payment for perpetual license is a cost-effective way to safeguard your workforce, protecting your most valuable assets.

# Workforce Safety for Forklift Trucks & Commercial Vehicles

On average, there are approximately

## 30,000

forklift truck accidents reported annually across Europe

Source: European Agency for Safety and Health at Work (EU-OSHA)

## 20%

of truck accidents are caused by driver distraction

## 25%

of van accidents are caused by driver distraction

Source: European Road Safety Observatory (ERSO), Eurostat, and National Transport Agencies

## Software Features

### Screen Blanking

Blank the vehicle-mounted computer LCD when the vehicle is on the move.

### Dual Mode Support

Indoor Mode uses the Getac device's built-in motion sensor to detect motion, whilst Outdoor Mode utilizes a GPS signal.

### Auto Switch

Auto detects and switches between GPS and motion sensors.

### Designated App in Motion

Only selected applications, allowed by the administrator, can be launched in motion.

### Smart Docking

Screen blanking functionality is enabled when the device is docked in-vehicle, then automatically disabled when the device is undocked for field operation.

### Multiple Language Support

12 languages supported.

## For a Wide Range of Applications and Getac Models

### Warehouse

Forklifts

### Transport / In-cab

Trucks (Heavy Duty, Tractor Trailer, Dump, Oil, Cold-Chain, Courier, Chemical, Mega, Passenger Handling, etc.)

### Field Service

Service Trucks/Vehicles
