DOUBLE MAGNETIC MOUNT

Features & Benefits

The double magnetic mount utilizes a magnetic design to bolster the force between each side, making it particularly suitable for use with thick jackets.

Product Information

Dimensions : L 105.5 x W 86 x H 18mm
Weight : 146.7g

SKU ID

ORB363

SINGLE DOCK

Features & Benefits

The single dock is designed to charge one body-worn camera at a time efficiently. It facilitates seamless video offloading via USB-C or Ethernet for convenient data transfer. (For the SKU with LAN, the USB-C port is only usable for charging.)

Product Information

Dimensions : L 91.3 x W 50.6 x H 64.5mm
Weight : 148.6g

Cables Included:

- Optional: USB-C to USB-A cable (3.28ft)
- Optional: USB A extension cable (12.5ft)
- Optional: Ethernet cable (25ft)

Port Replication:

- LAN (RJ45) x 1 (Optional)
- USB-C x 1

SKU ID

ORBB3U (USB-A 10W AC adapter, 3 years warranty)
ORBB5U (USB-A 10W AC adapter, 5 years warranty)
ORBD3U (LAN, 10W AC Adapter, 3 years warranty)
ORBD5U (LAN, 10W AC Adapter, 5 years warranty)

UNIVERSAL MOUNT

Features & Benefits

The universal mount serves as an adapter to seamlessly integrate with 3rd party mounting systems, enabling compatibility with belt mounts or single Molle mounts when used with the Getac body-worn camera. This ensures versatility and flexibility in mounting options for different operational needs.

Product Information

Dimensions : L 54 x W 54 x H 14mm
Weight : 31.7g

SKU ID

ORB301

8-PORT MULTI-DOCK

Features & Benefits

The 8-port multi-dock streamlines the charging process for numerous body-worn cameras simultaneously. It simplifies video offloading through Ethernet connectivity, enabling efficient data transfer. Additionally, it can be conveniently installed on a 19" rack for streamlined IT asset management.

Product Information

Dimensions : L 450 x W 88 x H 95mm
Weight : 2389g
Includes 150W AC Adapter

Port Replication:

- LAN (RJ45) x 1
- DC in Jack x 1

SKU ID

OD4C3U (3 years warranty)
OD4C5U (5 years warranty)

POCKET MOUNT

Features & Benefits

The pocket mount is tailored to accommodate larger pocket mounting needs while offering adjustable positioning for the body-worn camera, ensuring optimal placement and functionality.

Product Information

Dimensions : L 143.5 x W 124 x H 22.8mm
Weight : 76g

SKU ID

ORB542

HOLSTER SENSOR

Features & Benefits

A holster sensor detects when an officer draws their pistol and automatically signals the body-worn camera to start recording. It attaches to duty holsters and is powered by a standard coin cell battery.

Product Information

Dimensions : L 52 x W 28 x H 12mm
Weight : 30g

SKU ID

OTS01X

ALLIGATOR CLIP

Features & Benefits

The alligator clip provides a straightforward installation option, compatible with a wide range of clothing styles and outfits.

Product Information

Dimensions : L 90 x W 34 x H 20mm
Weight : 32g

SKU ID

ORB312

MAGNETIC BREAKAWAY CABLE

Features & Benefits

When utilizing the BC-04 body-worn camera in a vehicle, the cable facilitates charging while providing easy detachment at the magnetic end. This allows users to swiftly disconnect when transitioning out of the vehicle for duty.

Product Information

Dimensions : L 170 x W 170 x H 10mm
Cable Length: 1.2 meter
Weight : 42g

SKU ID

ORB46X

MAGNETIC MOUNT

Features & Benefits

The magnetic mount offers a hassle-free installation process and can be positioned in various versatile locations for optimal convenience.

Product Information

Dimensions : L 92 x W 90 x H 14.4mm
Weight : 128.8g

SKU ID

ORB362

SWIVEL MOUNT

Features & Benefits

The swivel mount enables the body-worn camera to adjust its position and record from a specific angle.

Product Information

Dimensions : L 119.5 x W 60.6 x H 8.95mm
Weight : 33g

SKU ID

ORB432

ACTION CAMERA ADAPTER

Features & Benefits

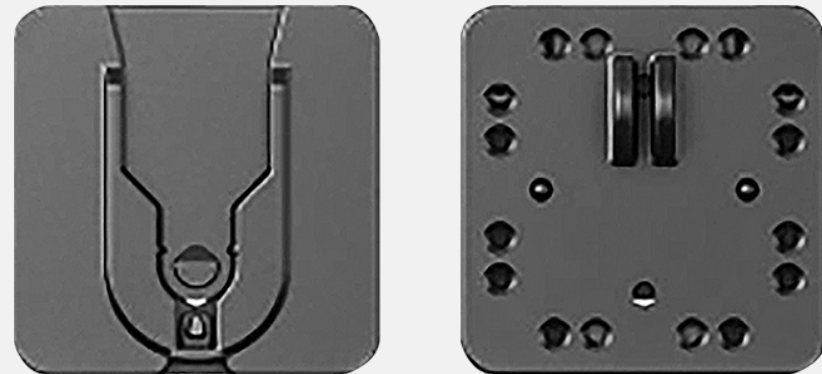

The action camera adapter facilitates seamless integration with GoPro-style mounting kits when attaching the Getac body-worn camera, ensuring compatibility and versatility in various mounting setups.

Product Information

Dimensions : L 54 x W 54 x H 8.95mm
Weight : 31.7g

SKU ID

ORB30X

MOLLE MOUNT

Features & Benefits

The Molle mount is specifically engineered to securely attach body-worn cameras onto Molle vests, ensuring stability and accessibility during use.

Product Information

Dimensions : L 92 x W 55 x H 13mm
Weight : 14.3g

SKU ID

ORB342

TRIGGER BOX

Features & Benefits

The trigger box is integrated into the vehicle's system. Once the siren or police car lights activate, it automatically signals the body-worn camera to initiate recording.

Product Information

Dimensions : L 114 x W 59 x H 34mm
Weight : 93.8g

SKU ID

OTX13X (3 years warranty)
OTX15X (5 years warranty)

Data Hub 256GB

Features & Benefits

Data Hub 256GB features 256GB of internal storage for body-worn cameras to store and forward video recordings before transferring to Getac Enterprise. Data Hub 256GB can support up to two 8-port multi-docks simultaneously. (Product includes a 150W AC Adapter)

Product Information

Dimensions : D 185 x W 182 x H 68.5mm

Weight : 1,427g

Operating System : Windows 10 IoT Enterprise

CPU : Intel Atom® Processor Z8750

Port Replication :

- POE (RJ45) x 2
- LAN port (RJ45) x 1
- Audio Jacks (RJ45) x 2
- USB 2.0 x 1; USB 3.0 x 1
- Display port x 1
- HDMI x 1
- GPIO Ports (Input x 8, Output x 4)
- Aux Power x 2

SKU ID

OD4E3U
